Amai Liu's
tight twat
and tiny
tits have
earned her
a few fans.

Amorous Amai

Dear Virgin Territory,

18eighteen definitely delivers the best pictures and videos of pixie-sized, flat and shaved girls ever! Because of this, my whole orgasming body thanks you! A case in point is Miss Amai Liu, whose works I have been collecting since her awesome public start in *House Party*. Her almost gymnastic scenes in *Flat and Fucked 2*, *After School Slut Club* and *Boned at Home 3* are all real body-shakers as well. So of course when I saw the ad for her in *Glazed Teens 2*, where the knobby dick was spewing loads on her puffy-nippled tits, I said to myself, "I've got to get this."

High on my list of things I'd like to see would be for Amai Liu to be with another girl; Moretta Coxxx would be a nice pairing! Of course, I would rather her be with me. I've never seen anyone else stop in the middle of a fuck and shake all over like her. You can really tell she loves what she does.

Other girls I'm enjoying watching are: Ava, Tysen (amazing body), Alice,

Gina, Moretta and Alina (yowza). Thanks again for all of it! Keep those hot teens cummin'!—G.J., Santa Clarita, California

Dear G.J.,

Amai Liu is one of our absolute favorites, too. There are a few more DVDs that feature her as well. Watch *Me Fuck* is available on page 9 of this issue, and T&A Tryouts 2 can be found online at eboobstore.com.

Girls, Girls, Girls

Dear Virgin Territory,

Thank you so much for your kind words in the Nov. '13 issue of 18eighteen. I am writing again in regards to the same issue, which was absolutely banging, both literally and figuratively. It was jam-packed with some of the hottest teens of 2013. The hardcore creampie scene at the end finished off the issue perfectly.

Roxanne's hardcore layout was first, which was a really nice way to start things off. She's a little cutie with a stellar booty, perfect tits and a pretty, bald pussy. She looks like she possesses some great oral skills as well, and I really enjoyed the top picture on page 14 where you can see the creamy opening of her pussy. The cumshot all over her mouth was a nice finish.

The ever-gorgeous Megan was next, and I truly adore her looks. While her titties are a little too big for me, everything else about her is damn near perfect. I wish my cock were inside that ripe twat on page 21. I hope she does hardcore and anal.

Innocent-looking Anna was my next favorite, and she looks like she'd be such a sweetie in person. She is

definitely the girl-next-door. I loved just about every single one of her pictures in this layout, but my favorites had to be on the bottom left of page 38 and her spread-open shot on page 39. She looked incredible with cum oozing out of her holes. I wish I could taste her, and I hope she gets another chance to do hardcore soon. Her tits are gorgeous, too.

Covergirl Maci was next, and what a choice for covergirl! She has an awesome rack, a tasty-looking twat and a cute butt. I enjoyed the mirror photos. They were a nice touch. I'd love to sink into her love tunnel.

The next hardcore layout was the threesome featuring Sindy (I still can't believe I won her panties. I'm enjoying them more than anything) and

Jodi. It was love at first sight with Sindy. I love her braces and all-star sex skills.

"Zoey is perfect. I love her smile, tasty-looking lips, luscious ass and hungry twat."

Readers loved Kelly's taut ass and sweet teen pussy.

The stunning blonde, Kelly, was next and her layout brought me even closer to destroying this issue with a massive load of jizz. There is nothing about Kelly I don't love, especially after the perfect picture of her true beauty on page 71. Nothing could beat that. Her pussy is one of the best I've ever seen, and that tight, brown asshole looks absolutely delicious.

Zoey was next, and I don't have anything bad to say about her either. She's perfect. I love her smile, tasty-looking lips, luscious ass and hungry twat. Damn *18eighteen*, where do you find these amazing girls? It's the same deal with Lara. I have no idea where to start with this one. I am more in

love with Lara than I ever thought possible, especially after this layout. My fantasy girl's smile could melt ice, her pussy is to die for and those tits, while pretty big, actually work wonders on her. She looks like she had so much fun and can handle a cock well. The picture on page 91 was so hot, and I like how her wetness glistens on that dude's pole. Finally, the creampie shot at the end did it for me. I shot one of my biggest loads ever while reading. I've always imagined what Lara would look like with jizz oozing out of that pretty coochie. What an amazing job well done, *18eighteen*. It's been a hell of a year for you folks, and I hope more of the same can be said for 2014.—M.F., Camp Hill, Pennsylvania

Dear M.F.,

Glad to hear from you. We're glad you liked the Nov. '13 issue so much. It's been out for a while, but it's nice to reminisce with you.

Pussy in Print

Dear Virgin Territory,

Thank you for the 'Locked Out' photo shoot featuring Ava in the March '14 issue. Even though I appreciate the suggestion and understand the need for a prompt to access your website, I've got to tell you—Internet porn is only so-so to me for a few reasons. First, the screen is bright and it bugs me after a while. Secondly, my

current computer is slow and makes enjoying a video a total bore. Lastly, it's uncomfortable. A hard seat, upright at a desk, does not make for a masturbatory fantasy. I like to think about your girlies where I can relax and jerk off. The problem is that there are so many more pictures online. It would be really wonderful to have a full photo set of said material so it can be enjoyed altogether in sequence like the rest of your pictorials.

Now, I'd also like to make a request for more pictures of your girlies sucking, holding and massaging the testicles. To some men, nuts are just as important as the penis. Also, I'd like to see more girlies peeing. If some unknown law says you absolutely

A Wee Problem

Dear Virgin Territory,

I received the March issue today and am left wondering: Why could *Babyface* publish photos of girls peeing and *18eighteen* can't/won't? What changed between then and now? I was really disappointed there weren't any photos of Ava peeing in the March issue. I don't have Internet access at home, so I won't be able to see them on your website. Also, I highly doubt the librarians would

appreciate me looking at them on their computers! This whole problem could be solved if there were a cute 18-year-old near me who wanted to fuck!

As a suggestion, maybe you can put together a DVD of girls peeing? Include all the pictures and videos of Ava, Sindy, Candy, both Jewels, Nina and Ali. Please? Seeing as how I am never going to get to watch a real girl pee!—J.H., Aberdeen, South Dakota

Dear J.H.,

It seems a few of our readers have questions regarding pictures of girls peeing. It is not against the law, as asked by J.H. from Dayville, but it is against the policies of certain distributors. They will reject the issue from being placed on newsstands.

Flick The Bean

Dear Virgin Territory,

I am writing to you on the subject of the Jan. '14 issue of *18eighteen*. The front cover was amazing. Chloe is an absolutely gorgeous girl. She was so feminine looking in pink and white. The rest of the magazine had no shortcomings either, and showed a great attempt at aiming for the best type of shots, dressing up and whatnot. The pictorial storylines are great as well. But back

18eighteen.com has all the pee action we can't show here. Log on to check it out!

to Chloe. I gave her my complete "appreciation" all over the page.

I have a suggestion for a themed photo shoot. How about the "Saturday Girl" who works weekends in the coffee shop? There is a coffee shop not too far from me where the staff, mainly young ladies, wear white blouses, black mini-skirts, black tights and black shoes. Sometimes a well-groomed blonde will approach a table, her skirt riding up, a lovely lacy, white bra peeking out from under her white blouse. What a way to enhance your coffee or tea order. I wonder if she'd like one lump or two! I'd love to see a photo shoot or a picture story along these lines. Anyway, that's enough from me. Thank you again for the Jan. '14 issue and the superb Chloe. Your wonderful publication is greatly appreciated.—J.N., London, England

Dear J.N.,

Greetings from across the pond! The scene you describe sounds a lot like a photo set from our Oct. 2013 issue, which has Ashley Stone playing a horny barista in a coffee shop! The video from that shoot is also in Teen Cum Traps, one of our favorite movies. It's available for order on page 9 of this issue.

Mia's serving us some pussy!

"My parents have been sending me to tennis camp every summer since I was really little. It was never really my sport. I'm more of a football fan. I think you guys call it soccer. Anyway, I was having a really hard time returning my coaches serves this morning. Every time he skipped across the court I saw his big dick swinging in his shorts. It was distracting me! So after practice I asked him if he'd help me with a little one-on-one training, and I grabbed his dick! For a second I thought he would be mad, but then we started kissing, and he grabbed my boobs. He definitely knows how to train!"

BRA SIZE: 36B **BORN:** Jan. 5

Did you learn anything?

"Not on the court! Honestly, I would have quit the lessons a long time ago if I didn't have such a big crush on the coach. Now, though, I think I'm going to look forward to coming. He even said that next time he would show me how to take his dick in my ass. I've always wanted to try that!"

Hot teens know no bounds.

At *18eighteen* we like to provide our readers with the hottest, freshest teens the world over. That's why we've tracked down Mari - a beautiful, young Japanese girl with a flat chest, supple skin and a luxuriously furry twat. She doesn't speak the best English, so we brought in a translator who helped us speak with this delightful Asian treat.

There's always a first time.

"I was very nervous about taking naked photos. It's not acceptable where I'm from. My family doesn't know I'm here, but a few of my friends do. All of my girlfriends are jealous of me having the opportunity to travel and have new experiences. I think it's great that men want to see my body and can appreciate it like this. After the photo shoot I was very aroused by the idea of men seeing me naked. I had to touch myself."

Japan, here we come!

"There aren't too many boys interested in sex where I'm from, and those who are interested are not very strong. My friends and I all enjoy strong and outgoing men. That's why I don't have much experience with sex. I used to kiss the boy I walked home with every day from school. Once he asked me to kiss his erection, which I enjoyed a lot. He kissed me on the clitoris, too. It felt like waves crashing down on me. I liked when he had an orgasm in my mouth. It tasted so good."

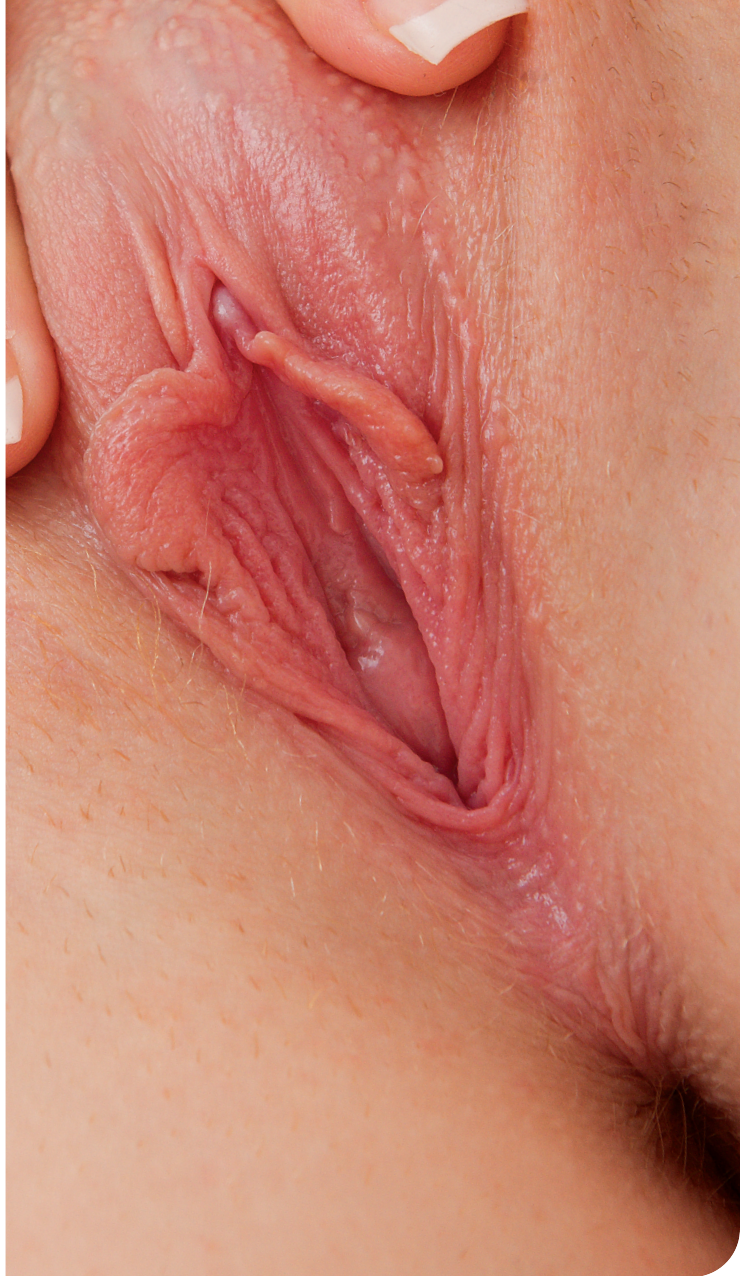

Hi, Nikki! Tell us about yourself.

"Well, I'm from Chicago, and I love my city! I'm a big basketball fan. Go Bulls! I'm too young to remember Michael Jordan playing, though, which is too bad because I still have his poster hanging in my room! My best date ever took place at a Bulls game. A couple of years ago this guy from school asked me out, and I was totally going to say no, but he had really good tickets. The team ended up having a really great night, so I let the guy have a really great night, too! I gave him a sloppy blow job in the car on the way home."

Was that the beginning of a winning streak?

"You could say that! He had season tickets, so our romance lasted just as long. Don't feel bad for him, though. I told him that he'd get some action every time he took me out. He was happy with the deal. Eventually he got a girlfriend and she started going with him to the games. I still miss those seats. I probably should have started fucking both of them! I love the way pussy tastes, so it would have been a lot of fun to hook up with both of them. I've never had a three-way, and I really want to."

HEIGHT: 5'7" **WEIGHT:** 120 lbs.

Anything else you want to try?

"Just the usual stuff. I've never been skydiving or scuba diving. I've also never had anal sex. I love being licked and fingered back there, but I've stopped every guy from going further. I think a girl with a strap-on would be gentler for my first time. I should try that!"

— IF DADDY ONLY KNEW... —

Dear 18eighteen:

I did a bad thing and I liked it. I liked it so much. And I have no one to tell. I found one of your magazines in Richard's bedroom, and I stole it. I don't think he'll be mad, though. I think he'll like it. Maybe I'll bring it back and we can look at it together next time. But for now, let me just tell your readers a story because knowing they are reading it will get me excited. And I can't tell anyone else.

I'm 18 and I've always been really, really shy. I want to do things with boys, to date and stuff, but I don't. Because I don't talk a lot. I don't know why. I'm just awkward. Even when they try to talk to me I either just smile or I say something stupid, and maybe they think I don't want to talk to them. I don't even smile much around them because I'm self-conscious. I still have braces. They're

coming off next year, though, and I can't wait!

Anyway, with Richard I'm different. I grew up with him, so even though he's not my relative I feel okay around him. I can talk and he brings me out of my shell. He always has. My family used to call him "Uncle Richard" around me. They still do sometimes, but ever since I turned maybe 15 I stopped calling him that. Because I knew I liked him in a way that wasn't how you like an uncle.

He and my dad were in the Army together, and they're great friends. They fix old cars together and go hunting and stuff. I help them with the cars sometimes. Richard has been working on one for a couple of years, an old Buick from 1970. It's really nice. He finally got the upholstery redone, and he came by to show my dad, but he was away for the weekend. So I went for a ride with him instead.

It was summery and my dress was getting a breeze under it and I got to feeling sexy. We talked and laughed and then, at a stop light on a woodsy back road—I just slid into his lap and kissed him.

Then I panicked. Oh my god, he's never going to talk to me again! I'm like his niece!

But his face changed. And he kissed me back. And I felt things in my body going nuts. And it was hot. And I was hot. We raced back to his place, and he carried me to his bedroom while we kissed. Everything in the room smelled like him—masculine and clean and so good.

I was awkward. I didn't know what to do. I stood up, and he lifted my sundress up over my head. I stood there naked except for small blue panties. I covered my little boobs with my hands. I was built like I was younger, and I felt as naked as I was. It was all okay, though, when he laid me down and began to kiss me all over. His beard was

dizzy in my head.**

soft. His lips and tongue were softer, and his mouth covered one whole breast and then the other. I felt hot and wet between my legs and dizzy in my head.

I panicked again when he kissed my cunny through those girlish underpants. It felt so good, but what if I didn't do it right or he didn't like it? Again, his mouth ate me whole as his big man hands pressed my thighs open so he could slip his tongue up into my hole. In and out it went, and a bunch of other stuff that felt like nothing I'd ever experienced. Before I knew it I was shaking and convulsing from an orgasm. Then his great, big dick was out, sticking out over my face as he stood over me, smiling.

He asked if I wanted to touch it, and I did. The balls, too. He told me how to stroke it and squeeze them at the same time. He asked if I'd like to kiss it, and I turned beet red. I think all over my whole body! But I wanted to, and I did. And then he got on top of me and we kissed some more. And he stroked my hair. And I felt myself getting wetter and wetter between my legs again, and he asked if he could put it inside me. I told him I'd never done it before, and I wanted to, but I was a little scared. He said he knew, and that was totally okay.

I opened my legs and kissed him, and he slid it inside. He was so big and I was so tight, but in a few minutes I was moving against him, grinding even. It felt so good, and I told him and he said it did for him, too. He looked right in my eyes and told me he was going to pull it out, and I nodded. When he did, it juiced all over my cunny and my belly. It was hot and sticky. And I loved it. And even though we can't tell a soul, I can't wait to go back and do it again.

THE LOOPHOLE

Dear 18^{eighteen}:

This is my first time writing in to a magazine. My name is Lola, and I turned 18 a few months ago. I grew up in a very loving but pretty strict and religious family. All four of my grandparents are from Mexico, and my parents both went to Catholic schools their whole lives. So have my sisters and me.

I have been getting the "no sex 'til you're married" philosophy drummed into me since I was little, and my parents seem pretty determined to hold me to it. They've even sent me to all-girl schools. But when we moved from our small town where everyone was pretty much like us—Mexican-American and devout—to a bigger city, they had no choice but to send me to a co-ed school. At least it was Catholic, they figured.

I was excited, of course. I like boys, but I never got

to spend much time with any who weren't my cousins. I dreamed about my wedding night because even as a kid I figured

His thing felt so big through his pants, and he'd say I could take it out to play if I wanted...

that would be the first time any boy even kissed me! Silly, I know, but I was little.

Anyway, at my new school, I got to meet "real" boys—not my cousins. Lots of them were cute, and there was one, Connor, who I crushed on right away. He played sports and had blonde hair and blue eyes and was really tall. My parents would probably want me to marry a Latino boy (I don't even know, really; they just want to keep me a virgin. They never even mention who it is they want me to marry!) but since all boys were off-limits anyway, I didn't think staring at Connor—or thinking about him kissing and touching me in naughty places—was any worse than imagining the same with any other boy.

And boy, did I wish for it. Like, all the time.

I was too shy to really talk to him my first year, but my friends all said he liked me. They could tell

because they'd see him watching me walk by. I think I kind of knew, too. At night, at home, I would touch myself, raking my fingernails through the little puff of hair on my little panocha (this is a nasty word for pussy my older cousin, Sonia, taught me!) and imagine it was Connor. I'd spread it open and feel the wetness—sometimes I would rub so much it would spread down to my thighs—and put my fingers inside and wonder if it would feel different if he were doing it. Or if he was putting something else in there instead.

In 11th grade, though, I finally got the courage to talk to him. (Okay, fine. He talked to me first!) We'd just gotten back from summer vacation—I had spent

date I mean I could go with him to the mall and the movies, but only ever in a big group. Our first kiss was in the back of a dark theater, and that's where we went—sometimes twice in a weekend—to get our hands on each other. His tongue would slide into my mouth, and I'd think about how that would feel between my legs or on my nipples. I started wearing skirts so we could raise the arm rest and touch each other. His fingers felt so amazing between my lips, and I felt okay whispering to him where to touch me. He got really good at it and could make me shudder and cum and wet the seat. I only wished we could find a place to be alone and lie down. His thing felt so big through his pants, and he'd say I could take it out to play if I wanted to—and I did! But I was too scared we'd get caught. His friends were right there! And it's much easier to touch a pussy under a skirt. I joked that it would be cool if he could wear a dress to the movies, too.

Connor asked me to the Christmas dance (this was one of the things my parents disliked about the co-ed school thing), and even though my Dad said no my Mom was a softie and convinced him to let me, since she was going to chaperone. I was very excited and wore a pretty, red dress. My Dad had approved it on the hanger, but man, it sure looked different when I put it on. His face got as red as the dress when he saw how it hugged my body. My booty jutted out all round-like, and I could imagine Connor trying to slide his hands down my back and getting his hands all over my butt. No one knew, but I wore a tiny, dark green G-string underneath. Not that I thought he'd ever see it, but still. It felt sexy.

Lucky for us, Father Thomas had plenty for Mom to do that night. By the mid-point of the dance, she was way distracted, and Connor and I managed to sneak off. We ended up in the biology lab. We kissed for what felt like a long time, and then I sat down in front of him. I wanted to see his boy parts for real, and he took it out for me. It was long and hard and really sexy, and I kissed the tip of it. It was a little wet and felt smooth and slippery on my lips. I took him in my mouth and slid him in and out, and his hands wrapped up in my long, dark, wavy hair. It was weird; I could feel his penis getting harder as I sucked. I was making a lot of noise, which was sort of embarrassing—but sexy, too!

He made me stop, though. He said he was getting close to getting off. I really wanted him to, but he said he wanted to taste me, too. I stood up, and he slid my dress above my hips and whistled when he saw my panties. I turned around and giggled and wiggled my butt for him. He rubbed the head of his thing against my bare cheeks. I could feel that liquid again, seeping from the tip. It dried fast on my cheeks.

He put me up on a lab table and pulled my G-string to the side, looking at my pussy for the first time. My

mine down in Mexico with family—and I came back looking different. I had “blossomed,” or whatever. My hips and my rear end had gotten rounder. My chest had filled out to C-cups. My parents wouldn't let me wear a bikini, of course, but even the starched, boy-cut white shirt I wore with my plaid skirt and knee socks couldn't really hide what was going on underneath anymore. My body was turning womanly. And so was my mind. It was getting really hard to resist the urges my mom and dad were determined to “church” out of me.

By senior year I was allowed to date him. And by

Abby really is a fearless filly.

Abby Paradise is one of our kinkiest girls. When we asked her if she masturbates, she told us, "Only anally." She said she couldn't count how many times she's cum in a row, but if she had to guess she would say 12. Now, that's not something you expect to hear out of the mouth of someone who looks as innocent as she does. Then again, you might not expect her to be modeling nude for *18eighteen*, either. "I've always been really adventurous. I'm not afraid to try new things. While all my friends were settling down with boys they liked in high school, I was out there dating and getting to know what I liked. That's the reason why I'm so confident in bed, too."

**Tell us more about
your anal fixation.**

"Well, I'm just getting into it. To tell you the truth, it was because of this guy I was dating. He loved licking my butthole and fingering me. Then, days before we were supposed to do anal, we broke up! I was left wondering what it would be like."

Do you have any talents?

"Not really. My biggest talent is just not caring about what people think. It's led me into some pretty sticky situations, though. Like one time, back in school, I had sex with this guy on the golf course right by our campus. It was during lunch on a weekday so we figured it would be clear. We were so wrong. These golfers came over the edge of the sand-thingy and totally busted us! It was all guys, though, so they were mostly just laughing and clapping. We started to run, but I turned around and gave them a big bow and flashed them my titties. I loved being watched."

He's not going to be a study buddy.

Mae's not doing too hot in her statistics class, so she asked somebody to help her. No, not the nerds in the front row. She's invited over the guy with the big bulge in his pants who grabs her ass when she walks by.

Do you really think this is going to help you with your studies, Mae?

“Absolutely! When I cum really hard I tend to focus better for the next couple of days. If you see a girl going the extra mile at work or at home, she probably just got fucked. It’s actually a sliding scale. If I masturbate, I can get my nightly homework done. If I have regular sex, I can pay attention all day in classes. If a guy fucks the shit out of me or sticks it in my ass, I’m good for finals week!”

How was this?

"Mind-blowing! His dick stretched my pussy until it almost hurt, but it felt great. I'm going to call him every time I get overwhelmed with my classes. When you're too young to drink on campus you have to blow off steam somehow. Maybe I can fuck my way into a group sex study session!"

Welcome back, Sadie. How have you been?

"Good! It feels like I was just here shooting for my layout in the Feb. '14 issue. I knew that when I came back I wanted to do something big; I just didn't know that something was going to be a dick in my ass! I've done anal before with my boyfriends back in school, and I loved it. So I wanted to surprise your readers with this little treat! This was way more intense because the guy is huge, but after a while I found the rhythm and it started to feel really good. There's just something about anal that hits my G-spot and makes my body start quaking."

**So, do you prefer a dick
in the ass or the pussy?**

"It completely depends on who it's with, the mood I'm in, or hell, even the weather! The first time I ever did it was with this bad-boy type. He had a muscle car, and he picked me up, drove me through the hills really fast and parked in this grassy spot on a summer day. I let him fuck me in the ass because after a ride like that you don't want sex to be anything less than extreme."

It sounds like you're trying to become a bad girl, Sadie.

"Growing up I always did what my parents wanted me to. I remember hearing a friend talk back to her mom and thinking, wow, I never knew that was an option. Then, when I hit puberty I realized I could still be daddy's little girl and enjoy getting fucked. I still speak three languages and play the cello in concerts, but I also love sucking dick, swallowing cum and getting fucked in the ass. My friends say I do everything really well, they just don't know that extends to being a little slutty every once in a while."

heart was beating so fast. He bent his head and slid his tongue between my lips, and my hands went to his wavy yellow hair. It was sexy looking down and seeing his head between my legs! I think that's what actually made me go crazy, and when his tongue wiggled on my little button I gasped and squirmed and came right into his mouth. He stood up and asked if we could do it.

I told him I wanted to, but all this was enough of a bad-girl night for me. I guess in the end, as sexy as I felt, I wanted to do right by my parents and stay a virgin. But Connor said there was a way that I could.

It took me a second to figure it out. I was up on the table, legs open and Connor's fingers played in the wetness of my hole, teasing below it, and then I realized—he wanted to put it in my culo! I was terrified for a split second, but then his thumb started rubbing on my bum hole and pressing. It was all wet; I had cum really hard. Without thinking, my fingers went down to my button and began making little circles and flicking it back and forth. I spread my legs wider, bringing my rear end up a little. Connor held my lower back with one hand, his dick with the other, pressing the head against me, easing it in.

I was biting my lip and rubbing my cunny button so fast, scared and excited and then—pop!—his head was in my butt and I yelped like a little puppy, but it felt so good. He didn't put it in any deeper, just slid the first two or three inches (it felt like a foot!) in and out and rocked me back and forth on it, and I started to cum again! So did he, and he pulled his dick out, warming my electric,

little pussy with his boy cream.

We kissed. We laughed. I straightened up, and we headed back to the dance. Mama was still busy with Christmas cookies and cakes. She hadn't even noticed we were gone, and we slipped back in with our friends for the last few songs, holding each other and slow dancing, glowing with the knowledge of our secret.

I don't know if Connor will be my husband, of course, but at least I'll get plenty of practice before I get to my honeymoon bed.

— GETTING CLEAN GETS DIRTY —

Dear 18eighteen:

My friend, Jenna, and I have been BFFs since Pee-Wee Soccer. We met when we were six and grew up together, knowing everything about one another. And when the age of "boys" came around for me, it turned out that girls were Jenna's thing. That didn't bother me. She's still Jenna and we're still BFFs. She has a girlfriend—Jo—and I like her. I don't have a boyfriend at the moment, but when I do we double date.

Thing is, I think that being such good friends with Jenna has made me a little bi-curious. We're best friends, so we share, you know? All throughout high school, in the locker room showers, I'd try my best not to look at the other girls' bodies. Courtesy, right? You don't want anyone to think you're a perv. You don't want to make anyone self-conscious. But those hairy triangles, LOL, I will admit it: looking at them just turned me on! I couldn't help it. All the different colors and textures and sizes. Soapy and wet and then all soft and fluffy when they were dried.

They looked...just sexy, I don't know.

But I never did anything about it.

It was high school, you know, and we were all sort of immature

Tysen's living the dream.

The last time we saw Tysen was in our Feb. '14 issue. She said she wanted to have an orgy. Did she do it? Well, kind of. "I was really close! I went to a house party and hooked up with this guy I've known forever. We went into a back room and it was really dark. It took me a second to realize that there were three or four other couples in there doing the nasty, too. It was really hot getting fucked while people were watching! The guy flipped me over and started screwing me doggie-style, which is my favorite, and I reached over and grabbed the tit of the girl next to me. She didn't say anything."

HEIGHT: 5'5" **WEIGHT:** 100 lbs.
BRA SIZE: 34A **BORN:** April 23
LIVES: Tempe, Arizona

Did you push it any further?

"No, I was nervous. Plus, when I grabbed that girl's boob it was like a dream come true. My pussy started gushing, and I couldn't control my body. I ended up squirting all over the guy's dick and shaking like a fish out of water! I got really self-conscious. Any time I've ever let loose like that I'm not sure what the guy will think. Some boys really dig it, but others are worried I peed on them. I mean, I squirted in front of an audience! We left after that. Luckily the guy I was with thought it was hot. It was a great experience. It made me want an orgy more. Next time I find myself in a situation like that—and I will—I'll make sure to hold off on cumming so I can have even more sexy fun."

So, when did this happen?

"It was only a week ago. I've been having these recurring dreams that I'm back in that dark room, getting banged, and a pussy and a dick appear in front of my face, waiting to be licked and sucked. When I wake up my pussy is so wet I have to orgasm immediately."

Meet Lexi, a Latina cutie with a booty.

"I've always wanted to do something like pose naked in a magazine. I know I don't have bombshell curves, but there are some guys who love small titties and a big butt and want to see them. I'm normally pretty innocent and shy, but I love having dirty secrets. Like, my perfect date would be dinner by candlelight and a moonlit walk on the beach, followed by a quick fuck in the sand. I'm a hopeless romantic who likes to get sexy!"

HEIGHT: 5'2" **WEIGHT:** 127 lbs.
BRA SIZE: 34A **BORN:** Feb. 2
LIVES: Miami, Florida

Have any more dirty secrets?

"I love sucking dick, and swallowing is the only way I'll finish a blow job. Spitters are quitters! I masturbate at least three times a day, and my favorite is in the shower with the removable, massaging head. Oh, and I can't tell you who I've been with, but I love having three-ways!"

and hung up on who knew what or said it to who. I talked to Jenna about it. She thought it was funny. But she understood. She was out and proud and an actual lesbian. I wasn't and I'm not. And in high school, lines can blur really quick.

In college, though, the time comes to experiment. This year I'm a freshman at an away-school on a partial soccer scholarship. I'm still in the showers with the other girls, but I'm not a silly girl in high school anymore. Lots of the girls on my team shave their pussies down to nothing or almost nothing. It doesn't do anything for me. Not that the bush has to be huge or anything, LOL. But it needs to be there.

Darcy is this cute blonde: tight body, little boobs, round butt. She's not curvy at all. And she has this dark blonde triangle at the top of her thighs, and I love that she's not shaved. I couldn't stop looking at it. I'd wait if I knew she was late off the field just so I could get away with hanging out with her in the shower room (I'd be so annoyed at away games if the other school's locker room had stall showers! LOL). Anyway, she never noticed my obsession with her bush and we became friendly. After all, we were always talking in the shower!

Last week, we were the last two off the practice field.

We had equipment duty. So by the time we hit the shower most of the girls were gone and the rest were nearly dressed and out the door. The showers were empty. And as I got beneath the hot stream of water and closed my eyes to enjoy it, I

jumped! There were hands on me.

Darcy had come up behind me, soapy hands sliding around my waist, slipping and circling over the little mound of my lower belly, then resting on my navel, waiting to see if I'd go for it or push her away. I turned around and her face was right at mine. She didn't move to kiss me, but her pretty blue eyes smiled at mine, and she arched her soapy torso against mine—warm, little breasts with pointy-hard nips, a smooth, flat belly and—as she's a little taller than me—the frothy-bubbly hair of her cunny just above my own wet thatch.

I didn't move.

She put her hands on my breasts, lathering and squeezing and seeming to enjoy their fullness, so different from her own athletic A-cups. She gently pinched my nips with slippery fingers, licking her lips and pushing me beneath the water so she could taste them, teasing them harder with suction.

I could feel my clit getting bigger and with it, my own boldness. I reached down and closed my eyes, sliding both my hands down to the creases of her groin and holding her soapy box in my hands: heaven. I stroked and rubbed and lathered her silly. She giggled as great sheaths of suds fell to her feet from her pussy. We danced around them to keep from slipping.

At last I allowed my fingers to slip between her lips, and she purred, pressing her nose into the curve of my neck as I teased her orgasm from her body. She took the showerhead and rinsed me, easing me to the floor and letting me watch as she pressed her mouth against my dark-haired cunny. I didn't have quite the garden between my thighs, but she enjoyed it—as did I. I loved watching her tongue flicking my clit, her lips closing around it as she sucked.

I liked that with men, too, but there was something sexier about the way a pretty girl's face looked when it was licking at my box, so delicate and different. And best of all: no irritating beard stubble! LOL

I came in waves, my eyes never moving from her hungry mouth as it clamped onto my cunny. Afterwards, she sat next to me against the wall. I dreamed of the next time when she and I could stand on opposite ends of the room and watch each other wash—a sudsy, hairy pie festival in the steamy-clean shower room.

I reached over and touched her fuzzy, little twat. It was still soapy, still sexy and tempting. I have never been so dirty. And I assure you, her pussy has probably never been that clean.

A photograph of a woman with long blonde hair and bangs, smiling at the camera. She is in a shower, with her hand resting on her right buttock. She is wearing white underwear with pink polka dots and a pink lace waistband. The background shows a shower curtain and tiled walls.

You look so delicious, Gina!

"Thank you! I love when guys eat my pussy, so I always make sure to be fresh and ready downstairs. My time in the shower is spent taking care of my pussy. I shave every other day to stay nice and smooth, then I rub my clit and hole until I cum. It's my morning ritual!"

Do you ever have shower partners?

"Yes, of course! There's nothing more erotic than bathing your partner before you make love to them. Plus, you can make sure to have them smelling and tasting great. Then when you're in bed you can enjoy how clean they are! Of course, you can always have fun in the shower, too. I love swallowing cum, but in the shower, with the hot water running all over, I tell guys they can cum wherever they want. Nine times out of ten they'll blow their loads all over my face. I can act really dirty and rub their jizz on my cheeks and lips, and the water will wash it all away. It's great if they coat your eyes. Plus, I always use soap to jerk guys off in the shower, which means his dick is clean for later!"

A woman with long blonde hair and bangs is in a shower. She is holding a silver showerhead in her right hand, which is spraying water onto her lower body. In her left hand, she holds a purple, bulbous sex toy that is inserted into her vagina. The background is a tiled wall, and the floor is white. The woman has a look of pleasure on her face.

Does the water get you off?

"When I'm alone it does! I have one of those massaging showerheads that pulse. It feels amazing! I always tell men to buy one for their girlfriends because they'll be rewarded. I keep a simple toy in the shower, too. Fucking my hole and pulsing my clit is a guaranteed cum."

VIRGIN TERRITORY

Continued from page 8

Sockin' It to You

Dear Virgin Territory,

March '14 was a very good issue because I am a fan of panties. When I see those cotton undies hugging onto a girl's vulva and riding up her beautiful, round bottom, I just want to pull them off her waist, fill them with jizz and have her wear them around all day. I know—I'm a pervert!

Red is now my new favorite girl. Her freckles gave me cold chills! I can't stand how adorable she looked in that set! My only complaint, and it's a small one, is that there weren't enough shots of her panties or her lovely socks. I loved seeing her twat. I've cum three times already just from that one small set, but that number would be twice as high if there were more shots of her socks and panties.

I also loved the set with Sapphire, the young-looking cutie wearing the striped socks and the matching panty and bra set. Although they weren't my favorites, I still enjoyed seeing her unmentionables. They'll do in a pinch! Speaking of pinching, I would love to tweak her little nipples. I just love the way a girl's buds get harder when squeezed between my fingers. I also really enjoy that she's from England. There's something special about the European girls. They're more adventurous, I think.—J.Q., Lowell, Massachusetts

This shot of a fully-socked Red is just what J.Q. was looking for.

Dear J.Q.,

It's nice to hear from new voices! Here's a great picture of Red that was featured in the May '14 issue of *Naughty Neighbors* magazine, we know you'll enjoy it. She's wearing a nice, soft pair of knee-high socks! Order the issue from eboobstore.com to see the whole set. **18**

Back with a big bang!

We can never get enough of this fuzzy-pussed beauty. Heather last graced our pages in March '14, and we promised you something big. Here she is getting her mouth and pink pussy stuffed. "I surprised myself! I didn't know how I would handle taking a big dick like this. I did a great job! I've been practicing my deepthroating skills for a while now at home. I have a long toy I swallow all the way to the base then slam in my pussy."

We're glad to see your bush!

"You're in luck, then. I don't think I'll ever shave it. Some boys my age don't like it, but that's too bad for them! Older guys fawn over it. They say things like, 'I haven't seen one of these since the 80s!' I laugh. I wasn't even born yet! It makes me unique for my age."

Where do you want your guys to finish? Are you a creampie girl?

"Not usually. If I'm in a romantic mood, I'll wrap my legs around a guy when he finishes. That way we can kiss! Normally, though, I just want to get nasty and be fucked hard! When a guy sits me on his lap and starts jackhammering, I lose all control of my body. After a couple of orgasms, I'm game for anything! He can cum on my face, in my mouth, in my pussy or on my chest. I had one guy ask me where I wanted it. I told him my armpit, as a joke. He actually pulled out and came there. It was weirdly kind of hot."
